

## M.S. in Veterinary Biomedical Science Admissions Checklist

- 1. **Graduate School Application and Application Fee (\$65 US Citizens and Permanent Residents; \$75 International)** <http://www.k-state.edu/grad/application/>
- 2. **OFFICIAL Transcripts**  
Request that one official transcript be sent directly from each college or university you have attended to the graduate coordinator at the address below. The Graduate School cannot accept copies of transcripts directly from you. Students whose transcripts are not in English must furnish an English translation by an appropriate authority. For K-State graduates, please upload a single page document stating that your undergraduate K-State transcript is on file in the Registrar's Office.
- 3. **Statement of Objectives**  
The Statement of Objectives is an important component of your application. Prepare a well-written statement and include your name at top of the page.
  - Include a discussion of your academic objectives, giving specific reasons for the selection of your field of study, contemplated research areas, and professional plans.
  - If you have a request for a certain advisor or advisors, indicate that preference in the statement.
- 4. **GRE Scores**
- 5. **Letters of Recommendation**  
Request three letters of recommendation through CollegeNet from former/current professors, employers, or other professionals who are in a position to evaluate your potential for graduate study.
- 6. **TOEFL Scores**  
Required only if English is not your first language.

**Send all materials to:** Lenay Marteney, Graduate Coordinator  
Veterinary Biomedical Science Program  
Kansas State University  
College of Veterinary Medicine  
226 Coles Hall  
Manhattan, KS 66506
