CAMPUS INFORMATION

The K-State Olathe campus offers great spaces for students, including: Cat's Pause, bistro, outdoor patio, 2nd floor deck, on-site locker room and showers (next to back entrance). The Cat's Pause lounge (Rm 225) has computers, free printing, white boards and a collaboration station.

Quick Tip
The Bistro has two vending machines with a range of drinks and snacks available for purchase.

Many measures have been put into place to help keep you safe. However, please remember it only works if **everyone** follows best practices and procedures to reduce the spread of COVID-19. Our priority, as always, is the health and safety of you and our community. Everyone needs to act responsibly in order for all to benefit.

Face Mask Policy

Face masks are now optional for all individuals on K-State campuses and at university events. According to the CDC guidance, people may choose to mask at any time, and high-risk individuals should consult with their health care providers, as should those who live with or care for higher risk people. Individuals who had exposure to someone with COVID-19 should also wear a mask. People with symptoms or a positive test should stay home.

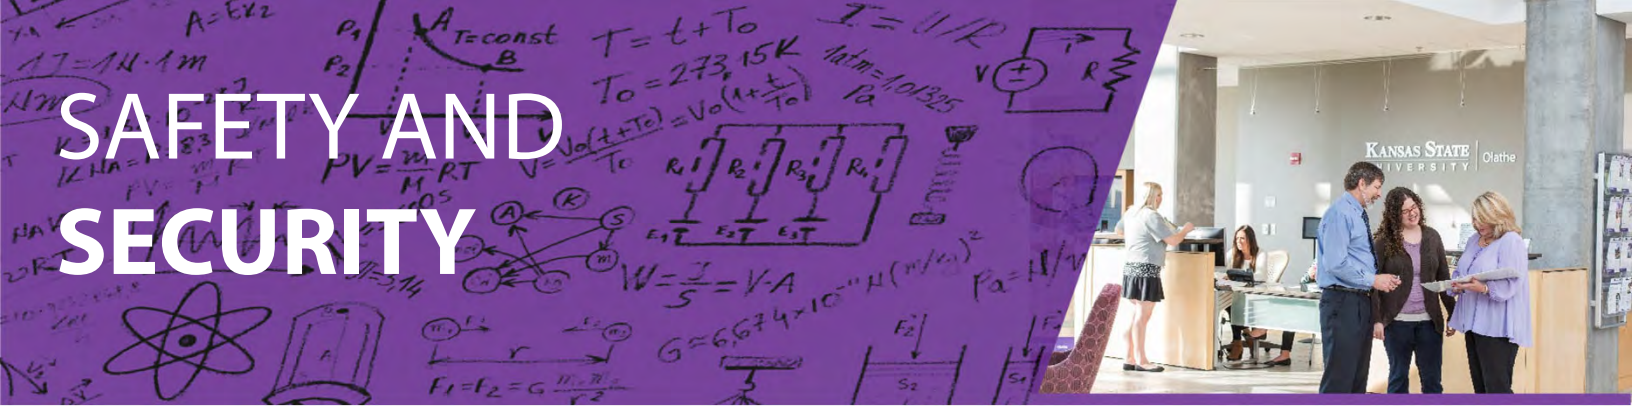

COVID-19 Exposure, Isolation and Quarantine Protocols

Students, employees and visitors should self-assess their symptoms and should not come to campus if they are sick, have a temperature over 100.4 degrees F, or have other illness symptoms of the coronavirus as listed on the U.S. Centers for Disease Control and Prevention, or CDC, website. Persons who develop any of these symptoms while on campus should leave and return to their local residence.

Students, employees and visitors should follow CDC guidance on COVID-19 exposure and COVID-19 isolation and precautions. Students, employees and visitors may be directed by health officials to enter isolation or quarantine for health reasons and must follow CDC guidance before returning to in-person university programs or activities. Faculty members will work with you to ensure that you can continue working on your courses during this time. Guidance on self-quarantine and isolation can be found here: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/if-you-were-exposed.html>

Contact Tracing

If you test positive for COVID-19 and you have recently been on the K-State Olathe campus please contact Kimberly Voight, Director of Student Services, at kvoight@ksu.edu or 913-307-7373. This will help with contact tracing and notifications. Your name will not be revealed, but those who may have come into contact with you while you were in the building will be notified of the possible exposure to COVID-19.

SAFETY AND SECURITY

K-State Olathe is among the safest campuses in the United States. Campus safety is a shared responsibility of faculty, staff and students. Together we make K-State what it is: a safe, supportive and caring community.

Connect

SAFETY AND SECURITY

Weapons Policy:

The Kansas Personal and Family Protection Act is the State of Kansas' policy permitting concealed carry, including on college campuses beginning on July 1, 2017.

The Board of Regents and Kansas State University are taking important steps to keep the university community safe and informed, including an online weapons policy training available to all faculty, staff, students and the community. If you would like to learn more, please complete the [Weapons Policy Training](https://kstate.qualtrics.com/SE/?SID=SV_6zkoPaeDI6g9Sdf&Q_JFE=0) (https://kstate.qualtrics.com/SE/?SID=SV_6zkoPaeDI6g9Sdf&Q_JFE=0).

Here are a few points you should know:

- *Concealed carry means completely concealed.*
- *Open carry is not allowed.*
- *Must be 21 years or older and legally eligible to carry a weapon.*
- *A weapon must be in an individual's custody at all times.*
- *Failure to comply with the policy may result in a charge of trespassing.*
- *For training and full information, visit <http://www.k-state.edu/police/weapons/>.*

For more information and questions about the university's weapons policy, contact: Andrena Keesee, facilities manager at 913-307-7319 or andrena@k-state.edu, or Christine Splichal, director of communications and marketing at 913-307-7341 or csplichal@k-state.edu.

SCHOLARSHIPS & FINANCIAL AID

Earning a degree is a significant investment in your future, and K-State Olathe strives to support our students and their goals. Learn about the many types of financial support available to students, including scholarships, grants and loans.

JCERT Scholarship Program

K-State Olathe offers scholarships sponsored by the Johnson County Education and Research Triangle, or JCERT. Scholarship awards are based on availability of funds. Applicants may be awarded up to \$5,000 for the duration of their program of study, provided they meet minimum academic and enrollment requirements. Scholarship amounts vary depending on fund availability, merit and need.

Scholarships for new undergraduate students

New students who are admitted to the Personal Financial Planning or Hospitality Management bachelor's degree programs at K-State Olathe for the 2023-2024 academic year may be eligible for a Clay Blair Family Scholarship Award of up to \$3,000. Funds are awarded evenly over the first two to three semesters of enrollment in the program. Priority will be given to students based on their admitted date and will be awarded while funds remain available. These scholarships are non-renewable. Email Student Services to apply: ksuolathe@ksu.edu

Scholarships for undergraduate transfer students

Undergraduate students who transfer to K-State Olathe are eligible for scholarships. Scholarships are either \$3,000 over three years or \$6,000 over three years, depending on GPA. Feb. 1 is the priority date for the fall semester for future transfer students. Dec. 1 is the priority date for the spring semester.

Scholarships for Urban Food Systems students

Graduate students in the urban food systems master's degree program may be eligible for the Daniel C. and Kathy Richardson Graduate Student Support for Agriculture, Food and Related Disciplines Scholarship. Eligible applicants will be awarded \$1,275 for 2023-2024 school year.

SCHOLARSHIPS & FINANCIAL AID

Scholarships for new Hospitality Management students

K-State Olathe offers scholarships for students entering the hospitality management bachelor's degree completion program that are sponsored by the Greater Kansas City Restaurant Association, or GK CRA, and K-State Olathe. Scholarship awards are based on availability of funds. Applicants may be awarded up to \$2,000 for their degree completion program, provided they are in good standing and meet the enrollment requirements. Scholarships will be distributed in four \$500 awards for up to four semesters for a total of \$2,000 per student. Scholarship amounts vary depending on fund availability, merit and need.

Scholarships for Public Health students

Graduate students who are enrolled or plan to enroll in the Master of Public Health program at K-State Olathe and who are living and/or working in Kansas are eligible for a scholarship through the K-State Public Health Program. This scholarship program prepares the public health workforce of Kansas and promotes the expansion of public health systems through strategic scholarships. Tuition and fees for up to 73 scholarships will be awarded for current and future Master of Public Health students living/working in Kansas.

Apply Today

Explore eligibility and apply at olathe.k-state.edu/scholarships. Applicants may apply for support in the next semester or up to two semesters prior to the start of a program. Applicants will be notified of the scholarship committee decision within one month of each priority deadline. If you miss the priority deadline for a cycle, you may still apply. Applicants who apply after the priority deadline will be considered for awards based on availability of funding.

FREE & DISCOUNTED SOFTWARE

K-State teamed up with enterprise software providers and distributors to reduce the cost of software you may need for course work. Also, you can download Microsoft Office on your personal computers for FREE while you are a current K-State student.

Microsoft Office

Microsoft Office is available from your Office 365 or Webmail account. Please note - the version of Office available is determined by Microsoft and will typically be the most recent version. Each user account is allowed up to 5 concurrent installations of the software on home computing devices.

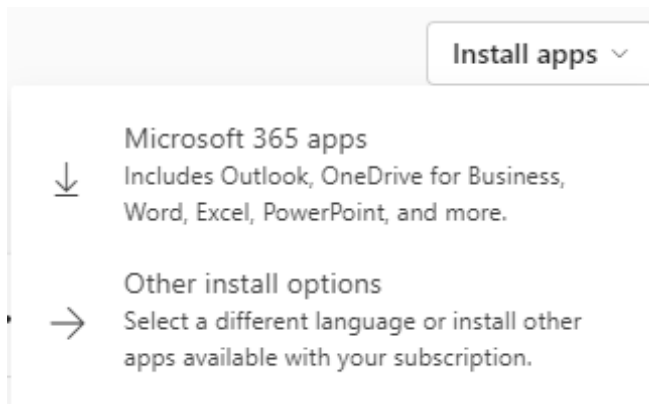

1. Login to webmail using your eID and password.

2. Click the **Office 365 Launcher** button at the top left of your browser window, then **Microsoft 365**.

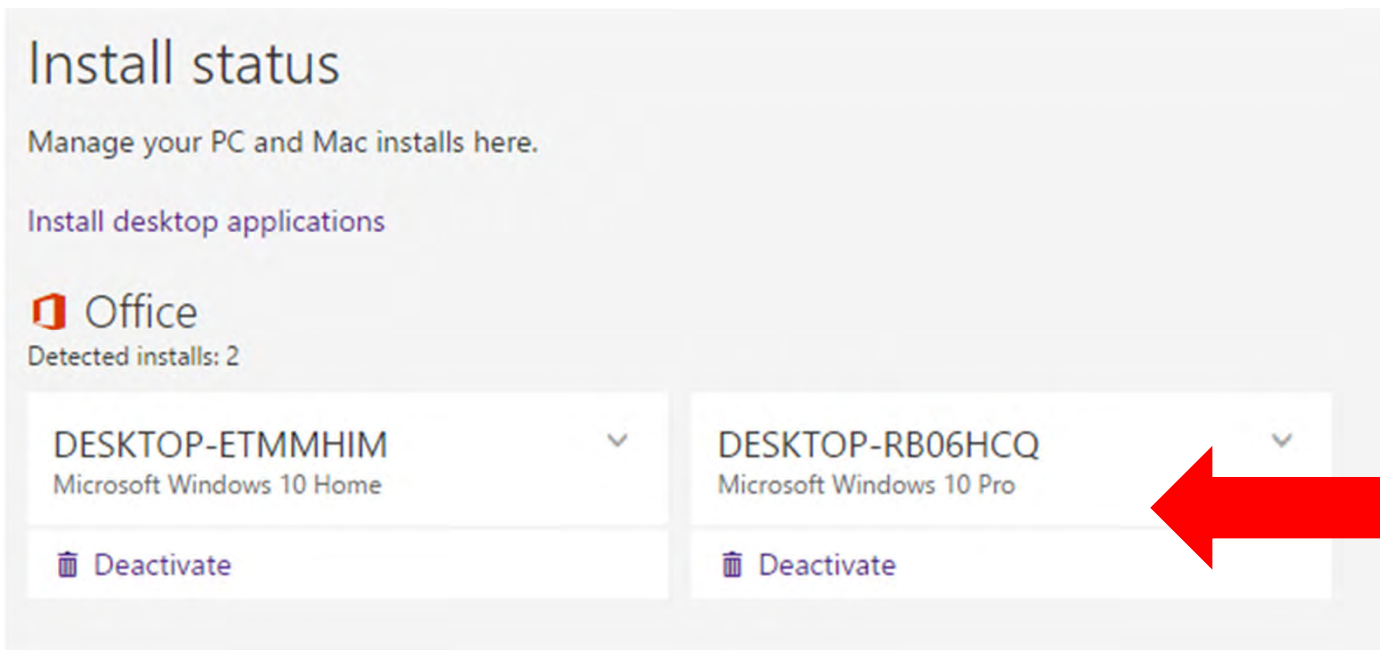

3. Click **Install apps**, then **Microsoft 365 apps** to install the latest version on a Windows or Mac operating system based computer.

FREE & DISCOUNTED SOFTWARE

4. Click **Other install options** for additional Office installs, including those for mobile devices.
 5. Click **My account > View apps** - If you have performed an installation before, you will see a list of computer names you have installed Office on from your account.
- Note** – if you reach the maximum number of installs (5) and need another, you have the option of deactivating a previous installation.

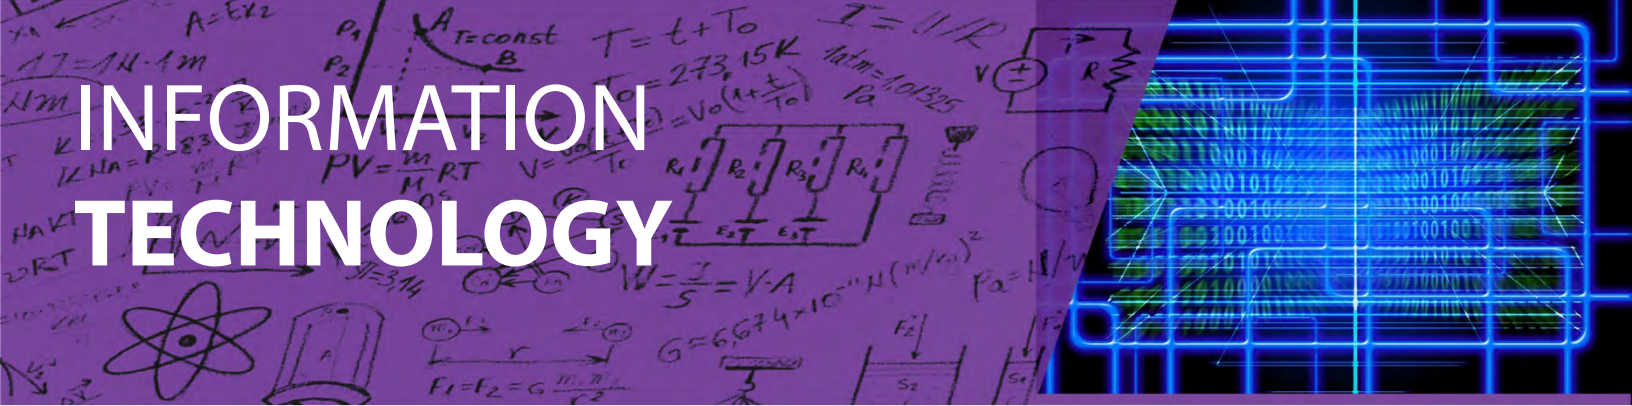

Discounted Software – (Adobe Products, SPSS, Minitab, EndNote and others)

K-State has a partnership with an online software reseller which can be accessed at the link below. Some packages are heavily discounted like **Adobe Creative Cloud Suite for \$19.99**, while others are more modest discounts.

<https://k-state.onthehub.com>

1. Create an account by clicking on Register.
2. Enter your eID@ksu.edu email address when prompted for your organization issued email address. Complete registration with your name and role at K-State (student, staff, faculty).
3. Once this information is submitted, a verification email will be sent to the K-State email account entered in the registration process.
4. Click the link to verify your account, and begin browsing the available software.

INDUSTRY MENTOR PROGRAM

The Industry Mentor Program provides students with the opportunity to learn from experienced professionals working in STEM fields. Whether you are a full-time student, just starting out, or are a mid-career professional, mentoring can reap huge benefits in expanding your growth potential.

Industry mentors are professionals who partner with K-State Olathe and volunteer their time to work with graduate students. Some of the ways a mentor can help are:

- Map the next steps in your career
- Identify job opportunities
- Work with you on interpersonal skills and professional communication
- Provide perspective on industry trends
- Review your resume and/or CV
- Practice interview

What to expect

Pairs are encouraged to connect at least once per month for a period of one year. Schedule meetings based on what works best for you and your mentor (in person, via phone, video conference, etc.).

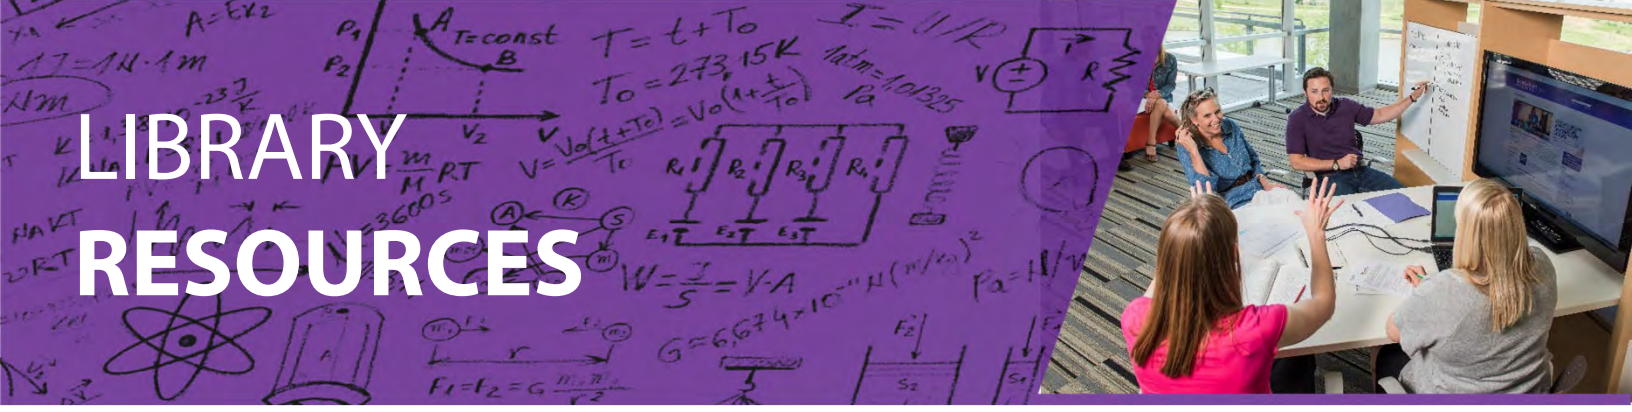

Learn more and apply today

www.olathe.k-state.edu/mentoring

Once your application is submitted, we will work to identify a mentor who matches your interests and goals. You will be contacted via email to confirm your match.

Student Support Program

QUICK REFERENCE GUIDE

My Student Support Program (My SSP) offers 24/7 support via chat and phone as well as counseling for students located around the country and the world. Counselors are masters-level clinicians with a minimum of five years of experience.

Getting Started with My SSP

You can access My SSP by one of two ways:

- Download the My SSP app from the Apple Store or Google Play Store and use the chat or phone function.
- Call My SSP directly 866-743-7732 (if calling outside US or Canada, dial +1 (416) 380-6578)

When you first sign up for My SSP, you must provide the following information:

- The institution you are enrolled with - Kansas State University - Manhattan Campus; Kansas State University - Olathe Campus; Kansas State University - Online Campus
- Your first and last name
- Your preferred phone number and email
- Your date of birth (for identification purposes)
- A security question for your file (e.g., mother's maiden name)

What is My SSP?

My Student Support Program (My SSP) is a third-party partner that provides:

- 24/7 access to support via chat and phone through the app
- Short-term counseling support via phone and video to students around the country and the world
- Linkage for ongoing treatment with providers around the country and the world.

Is it confidential?

Yes. All of your contact with My SSP are confidential. Except in instances where there is a concern regarding immediate safety, you must provide your consent for anything you say to be shared.

What can I use it for?

My SSP clinicians are available to assist you with the following:

- Speaking with someone right away if it's urgent
- Having a one-time opportunity to talk and get some support
- Setting up short-term counseling
- Getting connected with providers in your community who can offer ongoing treatment

What is the cost?

Access to My SSP is available for free to all eligible students.

Is there a limit to the number of times I can access this support?

No. Over the course of an academic cycle, it is common for a student to reach out multiple times looking for support on a variety of issues.

What if it's a crisis?

If you are experiencing a life-threatening emergency, call 911 immediately or go to your nearest emergency room.

If you are experiencing urgent clinical concerns and need to speak with someone right away go through the My SSP app or call 866-743-7732

PRINCIPLES OF COMMUNITY

Kansas State University is a land-grant, public research university committed to teaching and learning, research, and service to the people of Kansas, the nation, and the world. Our collective mission is best accomplished when every member of the university community acknowledges and practices the following principles:

We affirm the inherent dignity and value of every person and strive to maintain an atmosphere of justice based on respect for each other.

We affirm the value of human diversity for community.

We affirm the right of each person to freely express thoughts and opinions in a spirit of civility and decency. We believe that diversity of views enriches our learning environment, and we promote open expression within a climate of courtesy, sensitivity, and mutual respect.

We affirm the value of honesty and integrity. We will operate with honesty in all professional endeavors and expect the same from our colleagues.

We acknowledge that we are a part of multiple communities, and we have an obligation to be engaged in a positive way with our civic partners.

We recognize our individual obligations to the university community and to the principles that sustain it. We will each strive to contribute to a positive spirit that affirms learning and growth for all members of the community.

These principles have been endorsed by the following university governance bodies:

- Student Governing Association
- Graduate Student Council
- Graduate Council
- Faculty Senate
- University Support Staff Senate
