

**Professional Development Hours Credit Statement for Attendees at MCVSS
Midwest Commercial Vehicle Safety Summit, November 29-30th, Kansas City, MO**

Many licensure and certification agencies recognize Professional Development Hour (PDH) units toward demonstration of continuing professional competency. It is recommended that you check with your own state licensure/certification agency about their specific requirements for PDHs.

This form is for your use in maintaining a record of any PDH units you earn at the Midwest Commercial Vehicle Safety Summit. Complete this form and retain it for your records. **Do not return it to the MCVSS planning team.** It is recommended that you save the full program of each session or workshop you attend, in case the licensure or certification agency requests detailed information. Reporting is done on an honor basis, and individuals are responsible for maintaining their own records.

I have earned continuing-education PDHs by attending the following sessions and workshops, during the 2023 Midwest Commercial Vehicle Safety Summit, November 29-30th in Kansas City, MO.
